**NARANGANAM, KOZHENCHERRY**

## **ANNUAL REPORT 2020-21**

Greetings to all. It's my great pleasure to present the 27<sup>th</sup> Annual Report of the School for the Academic year 2020 -21. Savio English School is run under the Management of International Society of Venerini Sisters based on the Motto "Educate to Set Free". Our Apostolic Ministry in the field of Education, in its actual fact, stands for the realization of the motto – the total liberation of students in its various aspects namely, physical, mental, moral, spiritual, intellectual, and celebrating the hidden talents of mind, heart and soul to attain the fullness of life through Education.

A good Education is the greatest gift you can give yourself or anyone else. In order to facilitate this view, CBSE Syllabus is followed in the School. As we are heading along a rapidly changing scenario, we focus on the timely evaluation of the student's learning process. We conduct three periodic test for Class IX & X and two periodic tests for Class I to VIII and two Terminal Exams in a year.

The academic year 2020 – 2021, faced a very challenging time which brought the world to a complete halt with the Covid-19 pandemic and with lockdown all over the Nation. This isolation was unique and unprecedented event in our lives. It had become imperative to stay at home and we had to decide as to how meaningfully we could utilize our time. In these hard times, we had to maintain positivity and high morale.

The Pandemic has forced educators to transform their lessons to Online in short span of time. Our teachers had to change to online teaching, requiring them to use various digital tools and resources and implement new approaches to teaching and learning.

In response to all these challenges, we made use technology for effective teaching learning to happen. Savio English School had not opted for real time online teaching initially, considering the fact that all our students do not have the required internet bandwidth and may loose on real time connectivity. Hence we decided to post the pre recorded sessions which include PPT's, videos, etc. through Google Classroom & WhatsApp. So the teaching did not stop. To teach remotely, a classroom without students was a huge challenge for a teacher. This situation helped in inculcating the habit of "Self Study" in students. Our students have responded well to online classes. Later we arranged Live Doubt Clearing Session through Google Meet along with recorded videos.

Conducting exams was the biggest challenge. Students were sent question papers through Google Classroom / Whatsapp and had to solve them under the supervision of their parents and submit it through Google Classroom and WhatsApp.

From January first onwards, we have conducted offline class for Class X students in batch wise (alternate-days) and Conducted two Pre-board examination in offline mode.

As per the instructions given by CBSE, Principal and the teachers attended orientation programmes & subject wise training programmes arranged by CBSE & Central Travancore Sahodaya to update their teaching efficiency and class room management.

Keeping in mind, the challenges of the present world, we have introduced adolescence educational programmes for our students. They are provided with guidance and counseling in their needs of anxiety and stress, seminars and moral science classes are arranged for the children to face the present situation. The students of classes X attended an online Orientation Programme about Academic excellence, study habits & Exam Psychology by Mr. Prasidh Prasad, Motivation, Exam & Career coach, Phoenix Career Mentors on 20/02/2021.

Although the pandemic has changed the very nature of all our celebrations, it has not lowered the spirit of celebration, it remains intact. We had virtual mode of celebration for Independence day, Onam, Teachers day, Gandhi Jayanthi, Children's Day, Kids Fest etc.

## INFRASTRUCTURE

<b>Total Number of Sites of School</b>	1
<b>Total Area of School in Square Meters</b>	6926
<b>Built-up Area in Square Meters</b>	3668.64
<b>Total Area of Playground in Square Meters</b>	3473
<b>Number of Building Blocks of School</b>	1
<b>Total Number of Rooms</b>	50
<b>Number of Auditoriums</b>	1
<b>Total Number of Activity Rooms</b>	3
<b>Total Number of Digital Classrooms</b>	26
<b>Total Number of Libraries</b>	1
<b>Composite Science Lab</b>	1

## **CONCLUSION**

All these we could achieve due to the sincere hard work and dedicated service of the teaching & non- teaching staff. My sincere thanks to you all. Dear Parents we remain grateful to you for your valuable contributions for the smooth functioning and development of the School. With grateful heart, I remember our provincial superior, Rev. Sr. Treesa Mathew, Our beloved Local Manager, Sr. Annakutty, and all the former principals. Above all I bow my head before the Almighty for his unceasing blessing and guidance. May the good Lord continue to strengthen us to move forward with great enthusiasm, and unity.
